**DECLARATION AND POWER OF ATTORNEY FOR PATENT APPLICATION**

As a below named inventor(s), I/We hereby declare that:

My residence, mailing address, and citizenship are as stated below next to my name.

We believe we are the original, first, and sole inventor (if only one name is listed below) or an original, first, and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

A method of producing a low molecular weight organic compound in a cell.

the specification of which

is attached hereto,  
 was filed on (MM/DD/YYYY) June 14, 2004 as  
United States Application Number \_\_\_\_\_ or  
PCT International Application Number PCT/EP2004/051104  
and was amended on (MM/DD/YYYY) \_\_\_\_\_  
(if applicable)

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claim(s), as amended by any amendment specifically referred to above,

We do not know and do not believe that the claimed invention was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application. We do not know and do not believe that the claimed invention was in public use or on sale in the United States of America more than one year prior to this application, nor do we know or believe that the invention has been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months (for a utility patent application) or six months (for a design patent application) prior to this application.

We acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date the prior application and the national or PCT international filing date of the continuation-in-part application.

We hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed:
